

KONKA FAMILY ADVENTURE RESORT (THE ROAR OF THE LION)

19-21 JULY 2024

by Nakkie Theron

I want to start off by saying “Sorry” that I, Nakkie, was the cause of great concern by getting in a “lost” situation on the 18th, arriving approximately 5 hours later than expected. To Hettie and Neels, and all the other Motorhome family members, thank you so much for your care and concern. Family does Care!!

The weekend rally at Konka was attended by 34 Motorhomes. We all got to enjoy the absolute luxury of this resort. Beautiful clean upmarket amenities. All the stands had private ablutions, perfectly neat with hot water and all!

This resort fully caters for families, young and old.

Nature definitely wears and hears the colours and sound of the spirit. Hence, “The Roar of the Lion”.

Louis & Christel Barnard

Friday "Meet and Greet" was, as always enjoyable. Dawid welcomed new members Louis and Cristel Barnard. Happy Birthday chocolates were handed out to all the July birthday members: Don Hodgkinson, Susan paler, Ed Groves and George van der Merwe.

And then for a highlight of the evening, Jim Williams shared some Club History of MCSA/MKSA, dating back 40 years to the founding of the National Club. As always, great to listen to his vast knowledge, given to us in an entertaining way of sharing history.

Tokens were handed out to all present. Time was set for Saturday's Bring-&-Braai, fires being lit at 15:00, for the rugby fans' sake. Rugby was enjoyed at the Restaurant or back in cozy Motorhomes.

Sunday Service was by Jay, sharing a message of "impact".

At the Chairman's Tea, Dawid discussed the midweek planned by Jim Williams in August at Weaver's Roots.

The AGM to be held in September 2024 at Dube Game Reserve, was briefly mentioned and members urged to attend this rally.

Dawid also mentioned that our Year-end Function as well as the 21st anniversary celebration is to be held at Soetdoring Vakansieplaas, in Vereeniging.

Hansie and Sonja was thanked for their well-known Tea/Coffee table.

The “Wooden Spoon” was handed upwards to me, Nakkie, (Phew! Thank Goodness!) for still arriving at Konka, even though being lost the entire day.

Greetings of peace, grace and joy, until next time.
